## Mövenpick Hotel & Convention Centre KLIA brings new meetings and events venue to one of Southeast Asia's busiest international air hubs

**Bangkok, Thailand, 16 July 2018** – Mövenpick Hotels & Resorts has made its debut in Malaysia, unveiling a strikingly modern hotel and conference centre close to Kuala Lumpur International Airport (KLIA).

Located just a few minutes from KLIA and neighbouring KLIA2, the hotel features unique architecture, upscale guest amenities and extensive meetings and events facilities, including one of the country's largest convention centres.

"We are delighted to enter the Malaysian market with such a spectacular property, which will benefit from its proximity to one of Southeast Asia's busiest international air hubs," said Mark Willis, President – Asia, Mövenpick Hotels & Resorts.

"With its distinctive design, prime location and impressive facilities, the hotel is set to become one of the region's leading venues for meetings and events and will further cement Mövenpick's presence in Asia, where we are rapidly expanding our portfolio."
