

Mövenpick Hotels & Resorts promotes Sabine Dorn-Aglagul to President Europe

Senior management appointment will lead hospitality company's European operation and expansion drive

Dubai, UAE, 28 June 2018 - Mövenpick Hotels & Resorts has promoted Sabine Dorn-Aglagul to President Europe, effective immediately.

Having joined Mövenpick in April 2017 as Director of Operations, Switzerland, Sabine takes the helm from Ola Ivarsson, who will retire from his role as Chief Operating Officer for Europe on 30th June.

Mövenpick Hotels & Resorts currently manages 18 properties in Europe, with three new hotels set to open during 2019 in Stuttgart (Germany), The Hague (Netherlands) and Basel (Switzerland). The company is actively seeking further development opportunities in the region, with a focus on the hotel and serviced apartment sector.

“We congratulate Sabine on her new role as President of our European operations,” commented Olivier Chavy, President & CEO, Mövenpick Hotels & Resorts. “Europe has significant growth potential for our commercial business and we are confident in Sabine’s ability to help deliver strong results in this important market.

“I would also like to bid fond farewell to Ola, who has played a vital role in developing our European business to date and is admired and respected by the entire Mövenpick family.”

Sabine has extensive experience working in hotel management for organisations such as Hilton Worldwide and Starwood Hotels & Resorts, employed in a variety of multi-property and single-property roles in markets including Turkey, Germany and Austria. Prior to joining Mövenpick Hotels & Resorts, Sabine lived and worked in Istanbul, as Area Manager Turkey for Starwood Hotels & Resorts.

Sabine, who is in the final stages of completing an Executive MBA at the prestigious IMD Business School in Lausanne, is passionate about the company’s we make moments business philosophy. Her ambitions in her new role are to make Mövenpick “the brand and place of choice” for guests and talent in Europe, she says.

As President Europe, Sabine will join Mövenpick Hotels & Resorts’ Executive Committee, taking over all reporting lines currently held by Ola Ivarsson, who will continue his long association with the firm in an ongoing advisory role.

In her spare time, Sabine enjoys nothing more than spending time outdoors with her husband and their two dogs, Ajax and Anka, as she is an animal lover at heart.
