Location overview.

The surprisingly different Mövenpick Hotel Berlin is as individual and as multi-faceted as the city of Berlin. Centrally but peacefully located at Potsdamer Platz, the 4 Star Superior hotel combines innovative interior architecture with modern furnishings. The exceptional design of the former Siemenshöfe lends a special charm to the location's atmosphere. The majority of the 243 guest rooms and the 12 event rooms face towards the quiet courtyards. The ambience of the restaurant Hof zwei and the adjacent Lobby Bar has been carefully created as has choice of foods and beverages. Attentive, personal service and authentic friendliness comprise perfect hospitality in historic surroundings.

Rooms + amenities.

The blend of past and modern influences in the historical buildings generates a unique appeal. The 243 generously equipped rooms are bright and friendly with high ceilings and a welcoming sense of comfort. There are 43 single and 200 double rooms including 22 Junior Suites, the Tower Suite and 18 Atelier Deluxe Rooms with sloping ceilings and freestanding bath tubs or spa showers. All are air conditioned, stylishly furnished and equipped with LED TV, mini bar, wireless phone, Wi-Fi access (for additional fee) and room safe. The majority of guest rooms face the quiet courtyards while others offer an unrivalled view over the historical rail station, Anhalter Bahnhof. There is a gym with first-class work-out equipment and a sauna reserved exclusively for hotel guests. The hotel's own underground car park and additional parking spaces in the immediate vicinity are available.

Dining + entertainment.

The restaurant Hof zwei in the style of a Mediterranean Piazza is situated in the second of the historical courtyards. A glass roof that can be opened during good weather und a show cooking area lend the restaurant a special flair. The selection of dishes on the menu ranges from regional and Swiss specialties to sweet treats from the in-house patisserie. Further information and online table reservation at www.hofzwei.de. A further highlight is the innovatively designed Lobby Bar with direct access to the restaurant Hof zwei. The bar welcomes both early birds and night owls with a service range that starts with breakfast for guests in a hurry and concludes with a relaxing night cap. Comfortable seating and a pleasant atmosphere provide the ideal background for business meetings, social gatherings and relaxation.

Sport leisure.

Relax in our modern gym and take the time to enjoy the sauna. Both are available each day exclusively to hotel guests. Berlin has plenty to offer for those seeking relaxation in addition to big-city excitement. There are numerous parks, lakes and rivers and an abundance of cultural activities. Guests can stroll or jog in the nearby Tiergarten, Berlin's largest park. Or they can explore Berlin and its sights along the network of waterways threading through the city which boasts even more bridges than Venice. Excursion boats dock close to the hotel on Planufer where passengers are picked up to see the sights from the water. Well-signposted bike paths make it simple for visitors to see the sights and Berlin's green oases by bicycle.

In Berlin, history and the present stand side by side. Only minutes from the historical Brandenburg gate is Potsdamer Platz with its breathtaking contemporary architecture. The Reichstag (the seat of parliament), Berlin cathedral and the Charlottenburg palace are all distinguished representatives of past eras and the Nikolai quarter and the Philharmonie concert hall have a great deal to offer too. We would be very happy to help you plan your excursions. You can find more information at www.visitberlin.de.

The 12 multifunctional event rooms can accommodate up to 300 people. All rooms have daylight, are mostly air conditioned and fully equipped with modern conference technology.
