The Mövenpick Hotel Frankfurt City is only a ten minute walk away from the train station as well as the banking district and close to the city center. The Frankfurt International Airport can also be reached by public transportation within 20 minutes.

The staff at the Mövenpick Hotel Frankfurt City attend to their guests with professionalism, top-quality service, and genuine hospitality. So whether you are visiting Frankfurt for a successful meeting or you are looking for a starting point for cultural and shopping trips, with us, you will experience Frankfurt with a Swiss touch.

Rooms amenities.

The hotel has 288 comfortable rooms on seven floors, including two especially for disabled guests and eight for people with allergies.

In addition to the standard amenities, such as an LED flatscreen tv and coffee- and tea making facilities, we offer skyline rooms, superior rooms and junior suites, each with an added range of facilities. Our rooms derive their warm atmosphere from the combination of ochre and bordeaux room decor with room accessories in fresh green.

Pleasant small details add design accents, such as the quotes from Johann Wolfgang von Goethe above the bed heads, the zebrano wood furnishings as well as the works by contemporary artists adorning the walls.

Dining entertainment.

In the Mövenpick Hotel Restaurant, you are treated with genuine and cordial hospitality and you enjoy delicious buffets, international cuisine, regional classics and Swiss specialities.

The combination of warm colours and precious woods together with the skilful positioning of the tables and seating areas create a cosy and unhurried atmosphere. A particular highlight is the open show kitchen with the Australian stone oven.

Cool drinks, delicious snacks and seasonal offers are served at the “All-Day Bar”. In a cozy atmosphere you can relax after an exciting working day or a stressful day at the fair. Furthermore, you experience all sport highlights live on Sky and on big screen. Whether it’s Formula 1 or football – during your celebrations you will be spoiled by us.

Sport leisure.

Any time you feel the need for a work-out, you can go to the fitness centre on the top floor. With an area of 130 square metres and a panoramic view of the Frankfurt exhibition grounds you will find the latest fitness equipment such as stationary bikes, cross-country elliptical machines, a weight bench and a multifunctional strength training station.

A further highlight is the panoramic terrace on the seventh floor, which affords a view of the Frankfurt skyline.

The city of Frankfurt offers numerous interesting contrasts – the urbane Frankfurt with its cosy apple wine inns in Sachsenhausen sits alongside the mighty and impressive high-rise buildings of the financial centre. The charm of the small market hall, where you can buy all kinds of regional and international delicacies, nestles between the internationally renowned museums on the bank of the Main. Frankfurt is never, ever boring – and you can be right at its centre. The hotel is the ideal location, situated directly next to the trade centre.

Conferences banquets.

The Mövenpick Hotel Frankfurt City has a latest-generation conference centre for business events. With twelve multifunctional conference rooms including modern communications and conferencing equipment (incl. digital projection and touch panels for controlling the technical facilities) the 655-square-metre conference centre has enough space for 350 people. It has seven rooms on the ground floor, with areas ranging between 30 and 205 square metres, plus additional five rooms of between 29 and 59 square metres on the seventh floor, which enjoy a panoramic view of Frankfurt's impressive exhibition centre and also allow access to the roof terrace. Our goal is to create the perfect ambience and a professional work environment for your successful business meeting. To this end, we offer thorough advice and expertise, top service, and a varied range of catering products.
