

Mövenpick Hotel Jeddah Environmental Policy

In our role as a leading worldwide chain, we are committed to applying environmental sustainability activities that ensure the reduction of undesirable environmental impact, with careful use of our limited resources. Within its Environmental Policy and commitment to the environment, Mövenpick Hotel Jeddah will continuously focus on the following measures:

- 1- Comply with environmental legislations and requirements.
- 2- Wisely and efficiently consume water, energy and other resources, with constant evaluation.
- 3- Raise sustainability awareness for our employees and clients.
- 4- Modify our purchasing policy to be in line with sustainability.
- 5- Prioritise the use of chemical products that are not harmful to the environment.
- 6- Participate in local community associations and charities, and provide support to businesses by a variety of methods.
- 7- Implement and apply waste management and recycling programme within the hotel.
- 8- Continuously improve our environmental and social performance.

Our aim is to create a better environment by implementing an efficient and positive sustainability management programme that benefits customers, staff and our owners. We aspire to be a role model in the hotel industry in environmental policy and actions.
