sleep

individually different

A unique room category. Adjustable beds and customised rooms adopt the latest innovations in technology to help you personalise your environment, creating the optimal conditions for a deep sleep. The hero of our “Sleep individually different” rooms is the world’s first spring-system bed with adjustable firmness to suit your personal comfort preferences. The firmness of the mattress is easily adjusted using a hand control without compromising the overall comfort of the bed.

Little extras to transport you into the arms of Hypnos

The rooms offer several complimentary amenities such as sleeping masks, ear plugs, lavender pads and black-out stickers that cover lights on electronic devices. Guests can also tuck into free slumber-inducing goodies such as herbal teas and Mövenpick chocolate.
